PRESENTATION  
ENTERPRISE FLEET MANAGEMENT

Joseph Yee, from Enterprise Fleet Management, gave the Court a Cost Savings Presentation regarding leasing county vehicles. He stated that the County could replace twenty-four vehicles in their fleet and save \$1,721 per month, which would equate to \$20,652.00 cost reduction annually. This option allows Enterprise to purchase straight from the manufacturer, allowing the County to receive equity credit, Enterprise handles all titling and registration, and electing into maintenance programs. Magistrate Bleemel stated that several of the county vehicles have low mileage, and he is not a fan of leasing vehicles in general and asked if there is a way to purchase vehicles out of the leases. Magistrate Logsdon expressed his interest in the program and excitement to move forward since the maintenance cost is decreased significantly. Judge Summers thinks that this helps boost employee morale, and a good investment for safe, quality vehicles.
